## Amara Raja Energy & Mobility reports 13% increase in revenue over previous quarter in Q1 FY26

**Hyderabad/Tirupati, Aug 14, 2025:** Amara Raja Energy and Mobility Limited (ARE&M), a comprehensive solutions provider in the Energy & Mobility space, (BSE: 500008 & NSE Code: ARE&M) today, reported profit before tax of ₹ **261 Cr** for the Q1 of FY26, registering a growth of 16% QoQ.

The Earnings per Share (EPS) for Q1 of FY26 is at **Rs 10.60**

Standalone financial performance highlights:

Particulars	Quarter ended		
	June 30, 2025	Mar 31, 2025	June 30, 2024
Revenue from operations	3,349.92	2,973.85	3,131.19
Profit before Tax	261.01	224.36	328.66

Rs. in crores

The revenue growth was aided by robust OEM demand across 4W and 2W segments and healthy volumes in the aftermarket segment. The new energy business was driven by volumes in the stationary business.

Speaking on the results, **Mr. Harshavardhana Gourineni, Executive Director- Automotive and Industrial, said**, “Q1 witnessed a robust demand from OEMs across 4W and 2W segments, and healthy volumes in the aftermarket segment led to overall growth in domestic revenues by 10%+. In addition, our HUPS and tubular batteries business delivered strong seasonal performance, while our allied business gained market momentum and penetration. In the industrial segment, we had strong traction in UPS/data centre with 13% growth. We are poised to sustain and enhance these growth rates as we go forward.”

**Mr. Vikramadithya Gourineni, Executive Director - New Energy Business informed**, “We have seen strong growth in volumes driven majorly by stationery segment even as the work on our Giga Factory-1 in Telangana is on track. The Telecom sector has seen an accelerated shift to lithium, and we are optimistic in maintaining our market leadership through any technology transition.”

**Mr. Jayadev Galla, Chairman and Managing Director said**, “Amidst the ongoing geopolitical tensions and global turmoil, we have seen significant growth in revenue and profits quarter on quarter. The Lead Acid Business continues to deliver strong results with good traction from various segments, while the New Energy Business continues to grow, with the construction of our giga factory progressing as per our projections.”
